

We are inviting employees to make a positive difference for our female staff and our organisation by joining our **Women's Staff Network**. The staff network will:

- **Offer strong peer support** – sharing relevant and similar experiences
- **Increase confidence** and enable advocates
- **Discuss topics that are relevant**, such as career progression, health and wellbeing issues, how to build your influence and managing work-life pressures
- **Shape our organisational culture** to become more inclusive in accordance with our PRIDE values
- **Challenge gender stereotypes** and microaggressions

Should staff like to get involved or want to know more information please email:
