1. Introduction

Avon and Wiltshire Mental Health Partnership NHS Trust (AWP) provides inpatient and community-based mental health care for people living in Bath and North East Somerset (B&NES), Bristol, North Somerset, South Gloucestershire, Swindon and Wiltshire. We also provide specialist services extending throughout the south west.

We employ over 5,000 dedicated members of staff who deliver services from more than 90 locations, working in approximately 150 teams across a geographical region of 2,200 miles, for a population of approximately 1.8million people.

We are passionate about promoting good mental health and wellbeing. We strive to use the expertise

and resources within our organisation, and through our partnerships, to deliver high quality services that are safe and focused on people's recovery. Our staff are pivotal in everything we do and we are committed to involving them fully in the development of the Trust and our services.

2. Trust Details

AWP is a partner in two Integrated Care Systems (ICSs). We work closely with our partners across the Bristol, North Somerset and South Gloucestershire ICS and the Bath and North East Somerset, Swindon and Wiltshire ICS to meet the health and care needs of the local populations.

The organisations that make up an ICS – including commissioners, local authorities, hospitals and community services – take collective responsibility for managing resources, delivering care and improving the health of the population.

AWP operates under 3 divisions mirroring the ICSs areas:

- West Division: Bristol, North Somerset and South Gloucestershire
- East Division: B&NES, Swindon and Wiltshire
- Specialised, Secure and CAMHS Division

AWP provides a wide range of services which include:

- Adult acute inpatient services
- Adult recovery services
- Complete intervention
- Early intervention in psychosis
- Later life inpatient services
- Primary care liaison services
- Learning disabilities services
- Low secure services
- CARS – liaison and diversion
- Pathfinder service
- Veterans mental health service
- Community drug and alcohol
- Criminal justice services
- Deaf mental health service

- Traumatic stress service
- Care home liaison services
- Eating disorder services
- Anxiety services
- Memory services
- Street triage services
- Health based place of safety
- Therapy services
- Electro-convulsive therapy
- IAPT services

Our Purpose and our values

We are committed to improving the lives of the people we serve with compassion, respect and dignity. Our purpose can only be fulfilled by staying true to our core values which underpin everything we do; they guide our behaviours and can be seen in every interaction we have with patients, staff and stakeholders. We refer to our values as PRIDE:

P	Passion	Doing our best, all of the time
R	Respect	listening, understanding and valuing what service users and carers, staff and stakeholders tell us
I	Integrity	Being open, honest, straightforward and reliable
D	Diversity	Relating to everyone as an individual
E	Excellence	Striving to provide the highest quality support to service users and their families

Our Strategy and objectives

We are currently developing a five year strategy to reflect the changing needs and strengths within our local populations.

Our strategy has four key objectives:

Provide outstanding care

We will continually improve and provide high quality, safe care to help people achieve the outcomes that are important to them.

Develop outstanding people

We will make AWP a great place to work and learn, providing an environment where a skilled, positive and motivated workforce can provide outstanding care.

Provide sustainable services

We will ensure services are properly resourced to meet rising demand and acuity, and capitalise on opportunity for innovation.

Delivered in partnership

We will deliver care as a joint endeavour with patients/service users, family, friends and carers, including the voluntary sector.

3. Service Details

The Specialised People with Learning Disabilities Community Wiltshire service is based in Wiltshire, working across the region.

Wiltshire Health and Care provides the Community Learning Disability service (CTPLD). Avon and Wiltshire Mental Health Partnership NHS Trust (AWP) provide Consultant Psychiatry, Specialist Psychology and Intensive Support services for people with a learning disability to the CTPLD. There are integrated ways of working with the local authority.

Community learning disabilities teams in Wiltshire are organised into 3 localities. These are North Wiltshire (based in Chippenham), West Wiltshire (based in Trowbridge) and South Wiltshire (based in Salisbury). The CLDTs provide assessment, consultation and therapeutic services to adults with a learning disability. A single point of access exists and weekly referrals meetings take place at individual CLDT bases.

An increasing number of service users are residing in supported living settings. There are a range of specialist supported living and residential services throughout the region. Key providers of both supported living and residential services include Mencap, Homes Caring for Autism and Innovations.

4. The post and local working arrangements

Post and specialty:	Consultant Psychiatrist in Intellectual Disability
Base:	Fountain Way, Wilton Road, Salisbury, SP2 7FP
Total Number of PAs:	8 PAs per week
Accountable professionally to:	Medical Director
Accountable operationally to:	Medical Lead

We are seeking a Consultant Psychiatrist in Intellectual Disabilities to join our Specialised People with Learning Disabilities Community Wiltshire service. This part time post in the Psychiatry of Intellectual Disability is proposed to be advertised following the departure of the current incumbent.

AWP are currently reconfiguring the Psychiatry service to support Consultants with appropriate specialist roles. The post holder will be expected to provide psychiatric input to adults with a Learning Disability resident within South Wiltshire.

The post holder has a base at Fountain Way, Salisbury with a dedicated administrator. There are bases in North and West Wiltshire too.

With the new model, there are currently 55 cases open with 0 MOJ cases. The intention is to work towards having an active caseload for which the consultant takes prime or sole responsibility of no more than 40.

A single point of access exists and weekly referrals meetings take place at CLDT bases.

The post holder will receive referrals through the CLDT, allocated in discussion at referral meetings. The post holder will work jointly with and mainly through other members of the multidisciplinary team, especially Nurses, Psychologists and Occupational Therapists.

Their caseload consists of patients with mental illness, epilepsy or neuropsychiatric needs, autism spectrum disorder, challenging behaviour and many have complex needs. Overall the psychiatric medical team is expected to see about 25-30 patients face to face each month (including follow up assessments) with most of the cases as joint assessments with another member of the multidisciplinary team. **The Psychiatry team get on average 12-18 referrals per month and the consultant will see approximately 2 new patients per week and around 6-8 follow-ups per week.**

Typically, specialist psychiatric assessment and advice can be delivered in the patient's homes, but clinics in the community are also well established and GP surgeries where available too. We also have access to hybrid ways of working for aspects of the role.

Outpatients remain the responsibility of their General Practitioner who will seek specialist advice and support. Along with other members of multidisciplinary team, the post holder will support monitoring inpatients admitted from this area to out of area Assessment and Treatment Units.

There is scope of consultancy work to advise and work together with BSW ICB about those people placed in out of area treatment beds. The team is very community focussed and tends to support patients in the home setting and admissions are therefore kept to a minimum. Good relations exist with local primary care providers and work is underway in developing shared care protocols. The Trust support both Core and Higher Specialist training. There are currently specialist trainees in Intellectual disability based in Wiltshire. The Trust is committed to developing this post in to a training post.

- To work with local managers and professional colleagues in ensuring the efficient running of services, and share with consultant colleagues in the medical contribution to management.
- To comply with the Trust's agreed policies, procedures, standing orders and financial instructions, and to take an active role in the financial management of the service and support the medical director and other managers in preparing plans for services.

7. Continued professional development (CPD)

The Trust is committed to training and development as it is recognised that trained and motivated staff are crucial to our success. Whether we are inducting new employees to the Trust or meeting new challenges we recognise the importance of training and continuous professional development.

There are a wide range of training opportunities offered by the Training Department, as well as local and Trustwide academic meetings. The Trust expects consultants within local services and specialities to meet in Personal Development Plan (PDP) groups that comply with Royal College or psychiatry guidelines, in order to develop their own PDPs and keep them up to date, and it provides the time for this within Supporting Professional Activity time. The post holder will be expected to maintain good standing with respect to CPD in accordance with the Royal College of Psychiatrists guidelines. The Medical Education team hold details of PDP groups, and can support new staff in finding a suitable consultant group.

Peer supervision will also take place at regular local peer group meetings. The post holder will be expected to join a local peer group.

The post holder is entitled to study leave in accordance with the Medical and Dental Terms and Conditions of Service which is 30 study days over 3 years. Within AWP, this allowance is normally averaged out as 10 days per year. AWP also offers a study leave budget of £1,500 in a period of 3 years, normally averaged out as £500 per year. Individuals may request to use a greater proportion of their triennial entitlement of leave and budget within a single year, following discussion with their Medical Lead.

8. Clinical leadership and medical management

The responsibility for all medical staff within the Trust lies with the Medical Director, Dr Sarah Constantine. She is supported by Dr Pete Wood, Deputy Medical Director for Professional Standards and Dr Suchitra Sabari Girivasan, Deputy Medical Director for Clinical Effectiveness.

Each Directorate is led by a Clinical Director and an Associate Director of Operations. Operational accountability for the post holder lies with the Medical Lead, who has line management responsibility, and the Operational Manager for the service.

The post-holder will be encouraged and supported in developing the appropriate management and leadership skills to fully participate in service developments.

The post-holder will be expected to provide clinical leadership to the multi-disciplinary team and will be encouraged to contribute to other relevant management activities within the Directorate and within AWP.

The post-holder will be expected to attend the Trust's Medical Advisory Group (TMAG), which meets quarterly and includes all medical staff within AWP. This meeting provides a dual function of both education and information sharing. It enable consultants to extend professional advice to the Executive team and for the Executives to consult and inform medical staff of key Trust business.

9. Leadership development programme

The leadership development programme is designed for recently appointed Consultants in AWP to help them understand how their leadership behaviours affect the culture in which they work, and to learn more about themselves as leaders. The programme is one year long and consists of a workshop every 2 months, progressing to masterclasses. It concentrates on 3 core areas:

Self as Leader
Leading teams
Leading change and transition

The programme is run by the Advanced Coaching Academy who have extensive experience of working with the NHS, have been in senior leadership positions themselves, and currently run the Managers Toolkit and coaching training in AWP. The programme includes an individual coaching session at the end of the first module focussing on yourself as a leader.

At the end of the first year of the leadership development programme there will be a series of masterclasses to choose from including:

Influencing skills for leaders
How leaders effectively manage conflict
Inclusive leadership
Authentic leadership with integrity

Medical Leads provide individual supervision for Consultants, which is more frequent for newly appointed Consultants to support the transition to being a Consultant in AWP.

10. Mentoring

AWP has a mentorship scheme available for newly appointed consultants. The post holder is invited to take up a mentor within our Trust, and upon appointment, the new consultant is invited to contact the Director of Medical Education who will link them in with our database of mentors. Dr Sarah Price is the lead for the mentorship scheme, and she can also be approached for guidance and advice by newly appointed medical staff.

The Trust strongly supports mentorship for newly appointed consultants and the time required for mentorship will be available within the job description and job plan. All consultants are expected to be an active member of a CPD group meeting, Royal College of Psychiatry standards.

11. Appraisal and revalidation

All Consultants within the Trust participate in a formal appraisal process and attend an appraisal meeting on an annual basis either with the Medical Lead or an approved Trust appraiser. This is in line with our medical appraisal policy and the good medical practice and guidance from the General

Medical Council in preparation for revalidation. The appraisal lead for the Trust and the Medical Education Department hold a list of recognised appraisers within the Trust.

The appraisal process requires all Consultants to use Edgecumbe 360 and to provide an on-going portfolio of supporting evidence which conforms to national, General Medical Council and Royal College standards and guidance.

Appraisals link to the job planning process in line with all Trust medical staff. Sufficient support and time will be allocated in the timetable to allow full participation in the Trust's appraisal process (through allocation of SPA) and the necessary CPD and study leave activity that relates to the appraisal development plan will be supported.

In addition all medical staff must also comply with the Trust policies in relation to the process of Revalidation by the GMC. The Responsible Officer for the Trust is Dr Sarah Constantine, Medical Director.

The Trust uses PReP (Premier IT Revalidation e-Portfolio) to organise the appraisal process and facilitate revalidation recommendations by the Responsible Officer. All medical staff will be required to use PReP.

12. Job planning

Job planning is undertaken in conformity with the terms and conditions of the new consultant contract. Job planning meetings take place annually between May June and July with a clinical manager, together with a general manager if this is agreed by the consultant. Part of the job planning process will include local delivery unit (LDU) objectives that are based on the Trust's annual objectives. A group meeting with all the consultants in the LDU may take place to discuss these local objectives prior to individual job planning meetings. Job plans are reviewed within 6-9 months.

The job planning process links to appraisals. Each consultant is provide with a line manager and will have a minimum of a yearly job plan review. Should there be a proposed change in the workload, a timely job plan review will be offered to support safe working and identify the need for any additional support.

Job plans are submitted electronically using PReP (Premier IT Revalidation e-Portfolio) the same software that manages the appraisal process. The Trust does not expect consultants to opt out of the Working Time Directive.

13. Teaching and training

All medical staff are expected to be accredited as clinical supervisors, and as an education supervisor if directly responsible for a trainee. The post-holder will be expected to undertake the supervision and training of junior and middle grade doctors, Specialist Registrars, multidisciplinary colleagues; where appropriate and medical students from Bristol Medical School and the University of Southampton.

As a junior doctor trainer the post holder will be responsible for their professional supervision and management. Where appropriate, the postholder will be named in the educational contract of

junior staff as the person responsible for overseeing their training. The post holder will be expected to be involved and contribute to the regular teaching programme for trainee medical staff and medical students.

The Director of Medical Education; Dr Angelika Luehrs, is supported by 4 Associate DMEs, one Senior Teaching Fellows, 16 Undergraduate and Postgraduate Tutors and 7 FY Leads across the footprint of the Trust. The Trust has 51 Core Trainees, 37 Advanced Trainees, 35 FY1 and FY2 Doctors, and 18 Vocational Training Scheme posts for General Practice (GPVTS) across 9 training locations within the Trust.

14. Research

Research is an area of strength in AWP, with the primary source of income being the West of England Clinical Research Network delivering NIHR portfolio research. In recent years AWP has been nationally commended by NIHR for increasing our level of research activity, and supports circa 1,000-2,000 participants to take part in research each year.

The vision for research within AWP is to shape ourselves towards clinical excellence by conducting research that improves our services and makes a difference to service users, carers and staff. Whilst ensuring we provide as many opportunities for everyone to reduce health inequalities and provide evidence based services. The priority areas for research in AWP are; Research into clinical interventions that have the greatest impact on outcomes and advance services, visible leadership for research trust-wide, research being at the centre of all services, and linking with local, national and government priorities to make things better for service users, carers and staff.

AWP benefits from good collaboration with three local universities (Bristol, UWE and Bath) and is one of the major national centres for research into suicide prevention. Over recent years, AWP has worked with its partner universities and NHS trusts in the region to form Bristol Health Partners, a collaboration of NHS organisations, universities and councils. The Partners' mission is to generate significant health improvements in service delivery in Bristol by integrating, promoting and developing Bristol's strengths in health services, research, innovation and education. AWP has good representation on all health integration teams (HITs) relevant to the Trust.

15. Mental Health Act and Responsible Clinician

The post holder would be expected to be approved as a Responsible Clinician and will be expected to renew this approval according to agreed procedures.

16. Administrative support and office accommodation

The consultant will have access to 0.5 WTE appropriately qualified administrative/secretarial support to enable them to effectively participate in all their roles and responsibilities, to manage their diaries and provide support for non-clinical activities. The named individual will be based at Green Lane Hospital, Devizes.

The consultant will have a desk in a shared office, with a fellow Consultant with a phone, computer facilities, access to the internet and IT support.

The Consultant will have access to a private room with a phone and computer facilities for the purposes of seeing patients, carers and families where a confidential, safe and therapeutic environment is necessary. This room is also available for the purposes of supervision and speaking with colleagues about patients in a confidential environment. They will also have access to this private room in order to dictate letters and prepare reports, which usually contain confidential and sensitive information.

A mobile phone and a dedicated laptop will be provided to support mobile working.

17. Clinical governance and quality assurance

The Trust is committed to providing high quality, effective care and to this end has a Trust-wide Clinical Governance Committee and locality based Clinical Governance Committees.

It seeks to support Clinical audit and the development of clinical guidelines and protocols, care pathways and care packages based on best evidence. It seeks also to promote continuous education and monitoring of professional performance in order to promote the highest standards of practice.

The post holder will be expected to:

- Contribute to clinical governance and responsibility for setting and monitoring standards
- Participation in clinical audit, and/other local assurance processes.
- Participation in service/team evaluation and the planning of future service developments.

18. Quality improvement

- Leads and manages a team in a way that supports the development of a culture of continuous improvement and learning.
- Utilises a quality improvement approach to think systemically about complex problems, develop potential change ideas and test these in practice using a systematic QI methodology.
- Empowers the team to resolve local issues on a daily basis using the tools and method of quality improvement without staff having to seek permission.
- Promotes awareness and understanding of quality improvement, and shares learning and successes from quality improvement work.

19. External duties, roles and responsibilities

The Trust actively supports the involvement of the consultant body in regional and national groups subject to discussion and approval with the medical director and, as necessary, the chief executive officer.

20. Other duties

From time to time it may be necessary for the post holder to carry out such other duties as may be assigned, with agreement, by the Trust. It is expected that the post holder will not unreasonably withhold agreement to any reasonable proposed changes that the Trust might make.

21. Work programme

It is envisaged that the post-holder will work 8 programmed activities over 4/5 days (there may be flexibility for the right candidate). Following appointment there will be a meeting at no later than three months with the clinical manager to review and revise the job plan and objectives of the post-holder. The overall split of programmed activities for a full time post is 7.5 to be devoted to direct clinical care and 2.5 to supporting professional activities (as per the Royal College of Psychiatrists recommendations). The timetable is therefore indicative only. A formal job plan will be agreed between the post-holder and medical lead and service manager three months after commencing the post and at least annually thereafter.

22. On-call and cover arrangements

On-call is a service requirement of this post. The specialist LD on-call rota, is a telephone support rota only. It is currently 1 in 8. The on-call work is category A and attracts a 5% supplement.

The consultants in the team cross cover one another for both annual and study leave.

Cover is agreed mutually in advance of each period of leave.

23. Wellbeing

Effective local occupational support

As part of our Health and wellbeing program AWP work in partnership with People Asset Management (PAM OH) to provide our staff with a high quality occupational Health services. PAM OH are SEQOHS accredited (Safe, Effective, Quality, Occupational health Service) and provide a full range of OH services including new employee health assessments, access to a full workplace immunisation programs and manager referrals to support staff and managers during periods of ill health. Staff also have access to a 24/7 "sharps" telephone advice line, and a wealth of health and wellbeing information and resources via both the PAM OH website and the AWP health and wellbeing pages on ourspace.

As a mental health Trust AWP recognise the importance of supporting staff mental wellbeing, a free employee assistance program (EAP) provided by PAM assist gives staff access to 24/7 confidential counselling service, which can be accessed online, via the telephone or face to face, additionally we have our own in-house staff Traumatic stress service which can provide support to staff following a traumatic incident.

Attractions of area

Wiltshire is a beautiful county of chalk plains with eight White Horse chalk figures on hillsides, river valleys, ancient monuments and world heritage sites including Stonehenge and Avebury.

Trowbridge is the County town of Wiltshire. It is just 25 minutes outside of Bath with excellent transport links and only 40 minutes from the M4 corridor. It is a busy town full of shops, cafes and restaurants. There are country parks, leisure facilities as well as sports clubs such as cricket, rugby and football.

Devizes is the geographical centre of the county of Wiltshire. It is approximately 30 minutes from the M4, and access to the M3 is also straightforward. Devizes is in the heart of the Wiltshire Countryside and is a historic market town with a range of local shops, pubs and restaurants. There is a weekly market as well as regular Farmer's Markets as well as a Food and Wine Festival in July. The Kennet and Avon Canal passes through the town with its famous flight of 29 locks which are easily accessed on foot.

Salisbury Cathedral is famous for having the tallest church spire as well as the largest cloister and contains a clock which is among the oldest working clocks in the world.

The beautiful rural countryside in Wiltshire makes it ideal for walking and other outdoor activities such as cycling and horse riding. There are 8,000 footpaths in the county encompassing short walks to long distance trails. Walking festivals are held annually in Bradford-on-Avon and Corsham.

There is wealth of things to do and places to visit such as historic towns, the National Trust village at Lacock and Stourhead Estate, as well as Longleat and surrounding cities. The area is packed full of history. You will also discover some fantastic eateries from Michelin-Starred to cosy traditional English pubs. There are also a variety of annual music and art festivals.

Wiltshire has twenty-nine county secondary schools, publicly funded, and another thirteen independent secondaries, including Marlborough College, St Mary's Calne, and Dauntsey's, near Devizes. Salisbury has two grammar schools (South Wilts Grammar School for Girls and Bishop Wordsworth's School). There are also excellent schools in Devizes and Trowbridge ranging from Infant, Junior, Secondary, Independent as well as the Devizes Centre and Trowbridge Campus of the Wiltshire College and University Centre.

The county has excellent transport links to London and is in easy travelling distance to the coast. To find out more visit: <https://www.visitwiltshire.co.uk>

30. Key terms and benefits

Following is a summary of the main terms and conditions together with the benefits of joining Avon & Wiltshire Mental Health Partnership NHS Trust. Any formal offer of employment will be accompanied by a full statement of terms and conditions.

Salary

The appointment is at Consultant grade with salary thresholds from £99,532 - £131,964 per annum for a full time post of 10 Programmed Activities (PAs). Part Time employees will receive payment pro rata to the above full time salary range. The starting point on the salary scale will depend on the date on which the doctor was first appointed as an NHS Consultant and may take account of other consultant level experience or factors, which have lengthened consultant training, in accordance with the Terms and Conditions – Consultants (England) 2003. This post is also subject to nationally determined terms and conditions of service. If candidates are in receipt of Discretionary Points or Clinical Excellence Awards these will be honoured.

Sick Pay

Entitlements are outlined in paragraph 225 – 240 of the TCS.

Pension

The NHS offers a superannuation scheme, which provides a variety of benefits based on service and final salary. Their pay will be subject to the deductions of contributions in accordance with the scheme's regulations. Membership of the scheme is via automatic enrolment, further details are available on appointment.

Equal Opportunity & Diversity

Avon and Wiltshire Mental Health Partnership NHS Trust is committed to the fair treatment of all people, regardless of their sex, gender re-assignment, race, colour, ethnicity, ethnic or national origin, citizenship, religion, beliefs, disability, mental health needs, age, domestic circumstances, social class, sexual orientation, ex-offender status, political allegiance or trades union membership. The Trust requires all of its employees to treat all of its stakeholders including colleagues, service users, carers and their visitors with dignity and respect.

Flexible Working

The Trust is committed to assisting employees to achieve a healthy work/life balance and will consider sympathetically requests for flexible working arrangements, taking into account the impact on colleagues and the service.

Maternity, Paternity and Special Leave

AWP offers generous maternity leave, after qualifying service, with extended maternity pay together with up to a year's leave with the right to return to your role within the Trust. Paid Partner Leave of two weeks following the birth of a child is also available, as well as Additional Paternity Leave (APL) subject to eligibility. Special Leave is also available when staff are experiencing difficulties for compassionate, domestic, personal or family reasons.

Relocation Expenses

The successful candidate *may* be eligible to apply for assistance with removal and associated expenses in accordance with the Trust's Relocation Policy.

Travel Expenses

Travel expenses will be in accordance with paragraphs 277 – 308 of the TCS for journeys incurred in performing your duties.

Interview Expenses

Second-class travelling expenses will be reimbursed to shortlisted candidates for costs associated with making a pre-interview visit. Subject to the prior agreement of the Trust, shortlisted candidates who make a second visit may be granted expenses on this occasion also. For candidates travelling from abroad, expenses are payable only from the point of entry into the UK.

Two Ticks Disability Symbol

The Trust is committed to the employment and career development of disabled people. To demonstrate our commitment we use the Two Ticks Disability Symbol awarded by the Employment Service. We guarantee an interview to anyone with a disability who meets the minimum criteria for the post. You do not have to be registered disabled but consider yourself to have a disability.

Policies and Procedures

Trust employees are expected to follow Trust policies, procedures and guidance as well as professional standards and guidelines.

Confidentiality

Much of the work is of a confidential nature. This means that no discussion should take place about the care, needs, or activities of any service user, except in the clear interest of that service user or other members of staff. Staff are reminded that personal information concerning colleagues is also confidential.

References

Candidates are required to submit the names and addresses of three referees, one of whom must be their current or most recent employer. Any offer of employment will be subject to the receipt of three satisfactory references.
