Miss S Jarvis, ENT Consultant (Special Interest in Paediatrics)

Mr S Panwar, Locum ENT Consultant (Otologist)

Mr Mahmoud Ali, Locum ENT Consultant

Mr Abdulaziz Abushaala, Locum ENT Consultant

Mr Mike Rogers, Locum Head & Neck Surgeon

#### Middle grade staff:

1x Trust Registrar

x2 Specialist Trainees (this post substituting one)

x1 CT2 Trainee

x2 Nurse Practitioner

x1 Aural Care Nurse

#### Junior grade Staff:

x1 GP registrar

x1 FY2 doctor

x1 FY1 doctor

x1 innovative GP trainee (periodically).

#### THE POST

GRADE: Locum Appointment to Service (Registrar Level)

SPECIALTY: ENT

#### Relationships

The Trust Doctor is responsible to the Consultants in ENT and will be assisted by a further 1 StR trainee, 1 CT trainee and a GP registrar.

In the course of his/her work the job holder liaises with nursing, professional and technical, social work and administrative staff.

#### **Educational Supervision**

An educational supervisor will be assigned to provide support. Appraisal is carried out at regular intervals, and forwarded to the specialty lead. The ENT department has an excellent track

record in educational supervision, receiving the highest rating for ENT throughout the Northern Deanery in the most recent national GMC survey.

#### **Duties**

The Trust Doctor will be responsible for the day-to-day care of all patients under the ENT Consultants. The programme of training for each individual doctor will be flexible depending on his/her particular needs and stage of training. The candidate will have the same timetable and schedule as a registrar i.e. 4x lists and 3 clinics p/w plus attendance at specialist and combined clinics.

#### **Hours of duty**

The Speciality Doctor will provide cover for ENT on a 1 in 6 basis, with prospective cover of STR colleagues leave. STRs will be non-resident on call. Whilst not employed on the new TCS he or she will have a work schedule in line with the new TCS but will be on a trust doctor contract. They can usually expect to provide supervision and support for the F2 and Foundation Doctor on call.

#### **Teaching Duties**

The appointee will be expected to play a full and active role in the post-graduate programme including departmental meetings, multidisciplinary meetings and junior teaching.

There will also be opportunities for teaching medical students, overseas clinical attachment doctors and nurses on an occasional basis.

#### **Main Terms and Conditions of Service**

This post is a Trust appointment and will be subject to the new Terms and Conditions – for NHS Doctors and Dentists (England) 2016.

Any offer of employment with the Trust will be subject to satisfactory pre-employment checks as defined in Health Service Circular 2002/008

- references
- qualification/registration verification
- occupational health clearance
- DBS clearance
- identity verification
- eligibility to work in the U.K

and in accordance with Department of Health guidelines relating to 'Health Clearance for Tuberculosis, Hepatitis B, Hepatitis C and HIV: New Healthcare Workers'.

Your private residence shall be maintained in contact with the public telephone service and shall be not more than 30 minutes or 10 miles by road from the base unit (Cumberland Infirmary, Carlisle) unless specific approval is otherwise given by the Trust.

Your principal hospital, for the purposes of reimbursement of travelling expenses, will be Cumberland Infirmary, Carlisle.

#### **Professional Registration**

It is the responsibility of individual doctors to hold current GMC/GDC Registration with a current licence to practise.

#### **Professional Code of Practice**

As a Registered professional, you are required to abide by the GMC's 'Good Medical Practice' (Regulating doctors, ensuring good medical practice) or the GDC's Standards of Dental Practice. Disreputable behaviour, even if it is not directly connected to your professional practice, or failure to abide by the principles outlined by your code of practice mentioned above could put your registration as well as your continuing employment at risk. You should be aware that any breaches of your code of practice will be investigated in line with Trust policy, and action taken where appropriate, including reporting the misconduct to the GMC/GDC.

#### **Health & Safety Management Responsibilities**

The Trust recognises it's duties under the Health and Safety at Work Act 1974 to ensure as far as reasonably practicable, the health, safety and welfare at work of all employees. In addition, the business of the Trust shall be conducted so far as to ensure that patients, their relatives, contractors, voluntary workers, visitors and members of the public having access to Trust premises and facilities are not exposed to risk to their health and safety.

Managers have a duty to ensure that safe systems of work are used within their areas of responsibility and must investigate accidents and incidents, arrange annual risk assessments and ensure all staff attend appropriate health and safety training.

All employees have a duty to take reasonable care for their own health and safety, and that of others who may be affected by their activities; to co-operate with the Trust by complying with all health and safety rules and safe systems of work; and to inform their line manager of any work situation, or practice which may be considered a danger to health and safety.

#### **Travel and Subsistence**

Travel and subsistence expenses will be reimbursed for preliminary visits in addition to interview expenses only to those candidates selected for interview. Reimbursement is restricted to two such visits, whether they are made before or after the constitution of the short list is known. In the case of candidates traveling from abroad, traveling expenses are normally payable only from point of entry to the United Kingdom.
