Why NELFT?

NELFT is an award-winning community and mental health Trust, providing healthcare for over 4.9 million people, ensuring our patients, family and friends feel confident that their health needs are met. We are committed to delivering the **best care** to the communities we serve across North East London, Essex and Kent.

With an excellent reputation for research and development, our skilled healthcare professionals are at the cutting edge of evidence-based innovation, opening up the possibilities for better ways of working and delivery of care. Joining us will provide you with unparalleled access to training opportunities, continuous CPD, peer support groups, and a robust supervision and appraisal system.

We are currently recruiting to an Old Age Psychiatry Specialty Doctor position in the Older Adults Memory Assessment Service, based at 26 Gubbins Lane, Harold Wood, Essex, RM3 0QA.

You will join 5.1wte Old Age Consultant Psychiatrists, 1wte Senior Trainee and 2wte Core trainees within the service, and will have the opportunity to influence future direction, treatment, and models of design in the area in which you work.

Why Havering?

The Havering Directorate is patient focused in its approach, and receptive to new ideas or approaches. We are forward thinking, dynamic and innovative. It has a culture of mutual respect and support between colleagues, and a willingness to support both education, development, and advancement.

Havering is a relatively affluent local authority but there are pockets of deprivation to the north (Gooshays and Heaton wards) and south (South Hornchurch) of the borough.

Havering has excellent transport connections in the borough and to central London.

You will be expected to:

- Work as part of multidisciplinary teams providing care to older adults with mental health needs, across Havering.
- Provide senior medical support to the team, and direct input on clinical cases.
- Provide guidance and supervision to the team.
- Work directly with older adults and their families and liaise as appropriate with other external mental health providers, and acute hospitals.
- Work alongside the 5.1wte Consultant Psychiatrists, 1wte Senior Trainee, and 2wte Core Trainee within the service and share clinical supervision requirements with them.
- Develop links already established with the local acute trusts' A&E departments and inpatient wards.
- Be responsible for patients allocated to them and will assess, manage, plan, and deliver care.
- Support your peers and the team manager and be an effective team member whilst working on their own initiative.
- Supervise junior colleagues and liaise with other health and social professionals and agencies.

To be successful in your application, you will need:

- To demonstrate that your values are in line with that of NELFT's values,
- To be innovative, motivated, and passionate about Older Adult mental health care,
- Essential understanding of current developments in mental health care,
- To be a team player

NELFT Benefits:

- Relocation expenses
- Career Development and training
- Just & Compassionate Culture
- Award winning Equality, Diversity, and Inclusion initiatives
- Vivup employee benefits platform and salary sacrifice scheme
- Salary Finance and Financial Wellbeing support
- Employee Assistance Programme
- Health & Wellness initiatives

- 11 Staff Networks including parents & carers network, ethnic minorities network, LGBT+ network and Disability network to name a few
- Retail Discounts
- Flexible working and agile working
- Cycle to work scheme
