### Why NELFT?

NELFT is an award-winning community and mental health Trust, providing healthcare for over 4.9 million people, ensuring our patients, family and friends feel confident that their health needs are met. We are committed to delivering the **best care** to the communities we serve across North East London, Essex and Kent.

With an excellent reputation for research and development, our skilled healthcare professionals are at the cutting edge of evidence-based innovation, opening up the possibilities for better ways of working and delivery of care. Joining us will provide you with unparalleled access to training opportunities, continuous CPD, peer support groups, and a robust supervision and appraisal system.

We are currently recruiting for an Adult Psychiatry Specialty Doctor in Waltham Forest Home Treatment Team, based at Tantallon House, Goodmayes Hospital, Barley Lane, Ilford IG3 8XJ. This is a new post, due to additional demand on service delivery. We are keen to recruit to this position.

You will join two full-time Consultant Psychiatrists, a 0.6wte Associate Specialist, and 3wte Core Trainees in the service, and will have the opportunity to influence future direction, treatment, and models of design in the area in which you work.

### Why Acute and Rehabilitation Directorate (ARD)?

ARD is proud of being front runners in its delivery of safe services in the least restrictive way, with well-developed Home Treatment Teams and Crises Services and a small, high quality bed base.

ARD is the ideal place to develop your management of acute mental illness, and to develop your leadership skills.

The directorate has a culture of continual learning, innovation, and development, and is currently implementing a mental health transformation plan across our services. This is after instituting and new way of looking after patients in crisis.

### **You will be expected to:**

- Work as part of multidisciplinary teams providing care to adult people with mental health needs, across Waltham Forest.
- Provide senior medical support to the team, and direct input on clinical cases
- Provide guidance and supervision to the team
- Work directly with adults and their families and liaise as appropriate with community adult consultant psychiatrists and specialty doctors in mental health
- Support the Home Treatment Teams in managing bed occupancy
- Work alongside two full-time Consultant Psychiatrists, a 0.6wte Associate Specialist, and 3wte Core Trainees.
- Develop links already established with the local acute trusts' A&E departments and adult services

### **To be successful in your application, you will need:**

- To demonstrate that your values are in line with that of NELFT's values,
- To be innovative, motivated, and passionate about adult mental health care,
- Essential understanding of current developments in mental health care,
- To be a team player
